#### Dear Applicant:

Thank you for requesting an application for housing with Community Housing.

As noted on the application coversheet, there are income limits in place to qualify for housing. Once a household qualifies under these income limits, adjustments are made to include eligible deductions which may reduce the rent amount (rent is based on 30% of the *adjusted* gross income). Everyone's rent is calculated in accordance with their household financial information.

In addition to the application, there are additional forms for you to complete, sign and return with the application as noted below. Forms marked with an \* are optional, however the information gleaned from them is a valuable aid to ensure we are reaching out to all potential applicants. Please take the time to complete and return them with the application.

Please complete one (1) application for EACH community you are applying to. A copy may be made if applying to multiple sites. An applicant signature is required on the application, but original signatures are not necessary if copying for multiple sites or faxing. However, typed or digital signatures are not accepted, unless with an approved Reasonable Accommodation.

Please return the following forms:

- ➤ Application Note which Community you are applying for on the first page. If nothing is noted, then the application may be denied.
- ➤ Applicant Authorization to Release Credit Information This form will be held until it is time to interview for an available apartment.
- Race and Ethnicity Data Reporting Form \*
- Household Disability Status Reporting Form \*
- Supplement to Application For Federally Assisted Housing \*

If you are applying to Donald E. Lewis Retirement Center, Ross Knotts Retirement Center, or Royal Loto Apartments, each applicant will need to complete the following additional forms:

- Citizenship Declaration Form
- Citizenship Verification Consent Form (for those who hold eligible immigration status)

To obtain the forms you can print them off of our website at <a href="https://www.senioraffordablehousing.org">www.senioraffordablehousing.org</a>, or call the 800 number listed below and they can be mailed to you.

Also included are additional forms for your information that do not need to be returned:

Additionally, HUD allows for a Utility Allowance to offset a resident's utility cost. The average size of a one bedroom apartment is 520 square feet. The one-bedroom apartments are all equipped with a living room, kitchen, bedroom, bathroom, and storage closets. Each apartment is equipped with an emergency pull cord system that is monitored an alarm company. All of the communities (except Royal Loto Apartments) feature an elevator, community room, laundry facilities, and in-house mail delivery.

Smoking is not permitted within apartment and common areas such as entryways, dumpsters, designated pet areas, garden boxes, patios and balconies as well as within 20 feet of any building on the property. It is not permissible to smoke on property sidewalks. It is acceptable for residents to smoke in the parking areas that are outside of 20 feet of the building and on public sidewalks. The distance may be greater if required by local city ordinances.

Owner and agents are required to offer the applicant/tenant the option to complete the form. The form is to be completed at initial application or at lease signing. In-place tenants must also be offered the opportunity to complete the form as part of the next interim or annual recertification. Once the form is completed it need not be completed again unless the head of household or household composition changes. There is no penalty for persons who do not complete the form. However, the owner or agent may place a note in the tenant file stating the applicant/tenant refused to complete the form. Parents or guardians are to complete the form for children under the age of 18.

The Office of Housing has been given permission to use this form for gathering data regarding disabilities in assisted housing programs. Completed documents for the entire household should be filed as per HUD guidelines.

The four disability categories you should choose from are defined below. You should check one or more of the categories per your individual abilities.

- 1. **Mobility Impaired** Mobility impairment refers to the inability of a person to use one or more of his/her extremities, or a lack of strength to walk, grasp, or lift objects. The use of a wheelchair, crutches, or a walker may be utilized to aid in mobility.
- 2. Vision Impaired Visually impaired means a medically verified visual impairment accompanied by limitations in sight that interfere with acquiring information or interaction with the environment to the extent that special education instruction and related services may be needed.
- 3. Hearing Impaired Hearing impairment is a generic term including both deaf and hard of hearing which refers to persons with any type or degree of hearing loss that causes difficulty working in a traditional way. It can affect the whole range or only part of the auditory spectrum.
- 4. Other Impaired Choose "Other Impaired" if your disability/impairment does not fall into any of the above categories. A person with a disability is any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such impairment; or is regarded as having such impairment. ### Community Housing Tenant Selection Plan

Community Housing communities comply with federal, state, and local Fair Housing regulations, housing persons without regard to race, color, national origin, religion, gender, familial status, or disability. We do not discriminate on the basis of disability status in the admission or access to, or treatment or employment in, federal, state or local assisted programs and activities.

All communities are smoke-free. Smoking is not permitted within apartments and common areas such as entryways, patios and balconies, as well as within 20 feet of any building on the property. It is not permissible to smoke on property sidewalks. It is acceptable for residents to smoke in the parking areas that are outside of 20 feet of the building and on public sidewalks. The distance may be greater if required by local city ordinances.

Low income subsidies are provided by the U.S. Department of Housing and Urban Development (HUD). Project Rental Assistance Contracts (PRACs) are intended to house very low income families.

The guidelines stated below are used to determine who may reside at the community (final approval will be subject to all verified material):

#### I. Information

All of the required applicable information in the Application Packet must be completed, signed and returned. The tenant background screening will not be conducted until an apartment is available and the applicant is offered an interview.

Information revealed on the application or provided directly from the applicant that would not meet the Pre-Screening/Project Eligibility Requirements and the Applicant Screening Criteria referenced below, the application will be rejected.

Section 8 The rent a family will pay is the **highest** of the following amounts: 30% of the family's monthly

adjusted income, 10% of the family's monthly income, welfare rent or welfare payment from

agency to assist family in paying housing costs, or \$25.00 Minimum Rent.

Market The rent a family will pay is contract rent.

#### II. Pre-Screening/Project Eligibility Requirements

All of the following requirements must be met before applicant(s) are added to the Wait List.

#### A. Project Specific Requirements

The head of household, co-head or spouse must be sixty-two (62) years of age or older. At Donald E. Lewis Retirement Center and Ross Knotts Retirement Center, residents may be under sixty-two (62) years of age if they are in need of a mobility accessible apartment.

#### **B.** Citizenship Requirements

At Donald E. Lewis Retirement Center, Ross Knotts Retirement Center and Royal Loto Apartments, HUD restricts assistance to non-citizens with ineligible immigration status and requires all applicants and household members to complete citizenship declaration forms and submit evidence of citizenship or eligible immigration status.

#### C. Social Security Number Requirements

Applicants do not need to disclose or provide verification of a Social Security Number (SSN) for all non-exempt household members at the time of application and/or for placement on the Wait List. If all household members have not disclosed and/or provided verification of their SSNs at the time an apartment becomes available, the next eligible applicant will be offered the apartment. Applicants have 90 days from

the date an available apartment is first offered to disclose and provide verification of SSNs for all household members. If the applicant is otherwise eligible for admission, and the only outstanding verification is the disclosing and verification of the SSN, the applicant may retain their place on the Wait List during the 90 day period. After 90 days, if the applicant has not been able to supply the required SSN and verification documentation, the applicant will be ineligible and removed from the Wait List.

Disclosure and verification documentation of SSN is not required for a household member who is:

- Not contending eligible immigration status; and/or
- Age 62 or older as of January 31, 2010, whose initial determination of eligibility began before January 31, 2010, and does not have a SSN.

An applicant who has a household member under the age of 6, who does not yet have a SSN assigned, and was added to the household 6 months or less from the move-in date will have 90 days from the move-in date to provide documentation of the SSN for the child. An additional 90 day period may be granted if failure to provide documentation of a SSN is due to circumstances that could not have been foreseen and were outside the control of the household (e.g. delay in processing by SSA, natural disaster, fire, death in the family, etc.).

Live-in aides and foster children are subject to the SSN requirement.

#### D. Student Eligibility Requirements

Students who are enrolled at an institution of higher education (full-time or part-time) must be determined if they are eligible for Section 8 assistance at move-in and during their annual recertification or initial certification (when an in-place tenant begins receiving Section 8). Section 8 assistance shall not be provided to any individual who:

#### F. Criminal/Eviction History

Applicant(s) are required to note criminal or eviction history. Based on the information noted, the application may be rejected. Community Housing will not consider FED/evictions that have been dismissed, resulted in a judgment in favor of the applicant, or if the judgment occurred five years or more prior to the application submission, additional information may be requested. Additional screening is based on the Applicant Screening Criteria below.

#### **G.** Community Housing Communities

Community Housing communities share information with one another to ensure applicants, former residents or trespassed guests have not been determined to be ineligible for housing, did not leave in good standing (owing money due to damages, termination of tenancy, etc.), or has been trespassed from any of our properties.

#### III. Applicant Screening Criteria

The following requirements must be met before an apartment will be offered to applicants.

#### A. Landlord References

Two positive, recent landlord references or when landlord references are unavailable (no rental history), two positive personal references. In the event one landlord reference is available, a personal reference is required.

A positive landlord reference includes timely rent payments, balances paid in full, compliance with rules/policies and the lease agreement, and leaving the property in an acceptable condition.

NOTE: See Section V – "Other Community Housing Policies" – for exception guidelines regarding victims of domestic violence, dating violence, sexual assault or stalking.

#### **B.** Credit / Eviction History

Real Estate Loans included in a bankruptcy with required restitution may not be viewed as housing related, if restitution payments are current. Foreclosures may not be viewed as housing related discrepancies. Statements are required for verification.

Community Housing will not consider FED/evictions if the FED/eviction was dismissed, resulted in a judgment in favor of the applicant, or the judgment made against the applicant occurred five years or more prior to the application submission.

#### C. Criminal Screening

Upon interest of an available apartment, staff will obtain a search of public records to determine whether the applicant or any proposed tenant has charges pending for, been convicted of, or pled guilty or no contest to, any:

- drug-related crime
- person crime
- sex offense
- crime involving financial fraud, including identity theft and forgery
- any other crime if the conduct for which the applicant was convicted or is charged is of a nature that
  would adversely affect property of the landlord or a tenant or the health, safety or right of peaceful
  enjoyment of the premises of residents, the landlord or the landlord's agent.

A single conviction, guilty or no contest plea or pending charge for any of the following shall be grounds for rejection of an application. If there are multiple convictions, guilty or no contest pleas on the applicant's record, the Owner/Agent may increase the number of years by adding together the years in each applicable category. The Owner/Agent will not consider expunged records.

#### 1. Criminal Activity

- a. Murder, manslaughter, criminally negligent homicide, aggravated vehicular manslaughter, class A felonies involving arson, rape, kidnapping, child sex crimes, where the date of disposition, release or parole has occurred in the last 20 years.

- f. Class B misdemeanor for drug-related crimes, person crimes, sex offenses, financial fraud crimes, disorderly conduct, where the date of disposition, release or parole has occurred within the last 18 months.

US Department of Housing and Urban Development standards that prohibit the admission of following:

2. Drug Related Criminal Activity/Drug Abuse Felony or misdemeanor history related to any household member's eviction from federally-assisted housing for drug-related activity in the past three (3) years.

There are two exceptions to this provision that the owner may consider:

- The evicted household has successfully completed an approved, supervised drug rehabilitation program; or
- The circumstances leading to the eviction no longer exist (e.g., the household member no longer resides with the applicant household).
- a. Any household member currently engaging in illegal drug use, or for which the owner has a reasonable cause to believe that a member's illegal use or pattern of illegal use of a drug may interfere with the health, safety, and the right to peaceful enjoyment of the property by other residents, employees, quests, contractors, subcontractors or agents of the owner.
- b. Any household member if there is reasonable cause to believe that the member's behavior, from abuse or pattern of abuse of alcohol, may interfere with the health, safety, and right to peaceful enjoyment of the property by other residents, employees, guests, contractors, subcontractors, or agents of the owner. The screening standards must be based on behavior, not the condition of alcoholism or alcohol abuse.

#### 3. Other

#### D. Other Allowable Screening Criteria

In the event that an applicant is rejected the applicant will receive written notification. Applicants have fourteen (14) days from the date of the letter to respond in writing or to request a meeting to discuss the rejection. Responses may be directed to the Executive Director of Community Housing, Pacific Retirement Services, One West Main, Suite 303, Medford, OR 97501, or by calling 1-800-714-9177 or TDD 1-800-735-2900 or dial 711. When an applicant is rejected, more detailed information concerning appeal rights will be furnished at the time.

#### IV. Procedures for Accepting Applications and Selecting from the Wait List

#### A. Procedures for Accepting Applications

Each community maintains a Wait List for residency. Upon receipt, the application will be evaluated; applications meeting the requirements stated in the "Pre-Screening/Project Eligibility Requirements" will be placed on the Wait List. Applications that do not meet these requirements will receive written notification that the application has been rejected and not placed on the Wait List.

Applicants have fourteen (14) days from the date of the rejection letter to respond in writing or to request a meeting to discuss the rejection. Responses may be directed to the Executive Director of Community Housing, Pacific Retirement Services, One West Main, Suite 303, Medford, OR 97501. When an applicant is rejected, more detailed information concerning appeal rights will be furnished.

Placement on the Wait List is determined by the date and time all application materials are received; however, acceptance to the Wait List does not automatically guarantee eligibility for an apartment. Further screening as described in the applicant screening criteria section will be completed at the time the applicant is made aware of an available apartment, through the initial interview and verification process. Apartments are rented to eligible persons in the order of receipt.

#### B. Wait List Procedures

When an apartment becomes available, office staff would call and/or email the applicant to see if they are interested in interviewing for that apartment. The applicant advised of the available apartment has 48 hours to notify the office of their intention to accept or refuse the interview. If no response is received within the 48 hours, it will be considered a refusal. Deviation from this time frame must be approved in writing by the Housing Director.

Any applicant who has been offered an interview for an available apartment and does not accept for a third time, will be removed from the Wait List. The individual may reapply at any time, however, the position on the Wait List will be determined by the date and time of their most recent application submission. If the Wait List at a community where the number of vacancies exceed the number of applicants on the Wait List, the applicant does not have to re-apply if they have exceeded three refusals. It is not considered multiple refusals when several apartments are available and the applicant refused all of them at the same time. If another apartment becomes available, even if it's the next day, it will be counted as a second refusal.

#### For example:

Apartments 101, 102 and 103 are vacant. Office staff contacts an applicant on the Wait List on July 1<sup>st</sup> to see if the applicant is interested in interviewing for these apartments. The applicant cannot move. This is one refusal.

The next day, the office staff receives a notice for 104 moving out. On July 2<sup>nd</sup> they call the applicant from the scenario above and say another apartment is now coming open. The applicant cannot move. This is another refusal.

Applicants who cancel, reschedule or do not show for their initial interview for a third time will be rejected. Applicants that have scheduled a move-in appointment but do not show will be rejected. For both of these actions the applicants will be removed from the Wait List and will need to reapply.

NOTE: Every applicant is advised of available apartments based on availability rather than preferences. If the applicant does not accept an apartment, it is considered one of the three refusals allowed before having to reapply. If an applicant has a medically necessary reason for a preferred floor accompanied by a Reasonable Accommodation Request, and the request is approved, it would not be considered a refusal. If an applicant has written or included a preference (first floor, second floor, west side of building, #101, etc.) for an apartment, it is not Community Housing's practice to acknowledge these preferences.

Applicants are responsible for informing each community they have applied to, of any changes to their contact information (address, phone numbers, email address, etc.). Applicants will be removed from the Wait List for mail returned due to incorrect mailing information or if a phone number is disconnected or incorrect.

At any time there are changes to the Tenant Selection Plan (TSP), all applicants on the Wait List and all current residents will receive notification of the changes and may request a copy of the updated TSP.

Note: Privacy laws require release of information to applicants only. Unless there is a Power of Attorney on file for housing related matters, information will be released only to the applicant.

#### C. Mobility Accessible Units (not available at Royal Loto Apartments)

Section 504 requires that owners take reasonable, nondiscriminatory steps to maximize the use of accessible units by eligible individuals whose disability requires the accessibility features of a particular unit.

If an applicant has indicated on their application that they are in need of a Mobility Accessible Unit (MAU), they will be added to the Wait List. At the time of interview, they must complete a Disability Form to verify

the need for a MAU. The office will still work their Wait List from top to bottom, including advising of available, standard apartments to those in need of a MAU. If refused, however, by the applicant in need of the MAU, it would not be considered a refusal as indicated above.

Owners must assign available accessible apartments to tenants/applicants in the following order:

- 1. When there is a current tenant or qualified applicant with a household member requiring accessibility features of the apartment:
  - <u>Current Tenants</u> Owners must first offer the apartment to an individual with disabilities currently residing in a non-accessible apartment in the same project or comparable project under common control, who requires the features of the apartment.
  - Applicants whose disability requires the features of the apartment If no current tenants require
    the special features of the accessible apartment, the owner must then offer the apartment to
    the next qualified applicant on the Wait List with a household member who needs the features
    of the accessible apartment.
- 2. When neither a current tenant nor a qualified applicant requires the features of the available accessible apartment:
  - Owners may offer the apartment to another tenant or applicant. As per the lease addendum, the
    tenant must move to a non-accessible apartment of the proper size within the same property
    when one becomes available, if there is someone (current resident or applicant on Wait List) in
    need of the Mobility Accessible Unit they are in, at their own expense.
  - In the case where the members of the tenant household who required the special features of the
    accessible apartment no longer reside in the apartment, and where the lease permits, it is
    required that the remaining members of the household move to an apartment without accessibility
    features.

#### D. Procedures for Applying Preferences

HUD requires 40% of move-ins for Section 8 programs each fiscal year be extremely low income households. Income targeting is analyzed quarterly to ensure the 40% target is met. Applicants at Donald E. Lewis Retirement Center, Ross Knotts Retirement Center or Royal Loto Apartments whose incomes are at or below the Extremely Low Income limit (30% of the area median income) may receive preference over another applicant in a higher position on the Wait List when an apartment becomes available to meet HUD's Income Targeting Policy.

To implement this preference, the first extremely low income applicant on the Wait List may be reached by "skipping over" applicants with higher incomes) for the available apartment. The next eligible applicant currently at the top of the Wait List regardless of income will be contacted for the next available apartment. As subsequent apartments become available, tenant selection will continue to alternate until the 40% target is reached.

HUD regulations require that preference is given to applicants of Royal Loto Apartments who have been displaced by government action or a presidentially declared disaster.

#### E. Occupancy Standards

Occupancy standards serve to prevent the over or under utilization of apartments that can result in an inefficient use of housing assistance. Residents will be required to meet the following state and HUD standards for occupancy (information must be verified):

#### OCCUPANCY STANDARDS FEDERALLY SUBSIDIZED PROGRAMS (SECTION 8, 236, BMIR, PHA)

#### **Household Members**

	<u>Min</u>	Max
Studio and 1 bedroom	1	2
2 bedroom	2	4
3 bedroom	3	6
4 bedroom	4	8

#### Household members include:

- > All full-time members of the household
- > Children who are away at school but live with the household during school recesses
- > Children who are subject to a joint custody agreement
- > An unborn child
- Foster children
- Live-in attendants

It is required that residents occupy, reside, and use the apartment address as their mailing address. It is not allowed that someone retains an apartment at any Community Housing communities and uses the housing for storage space or to have housing when/if they may need it at a later date. Underutilization and overutilization of apartments is not allowed.

#### F. Policy for Opening/Closing the Wait List

It is not policy to close the Wait List.

#### V. Other Community Housing Policies

#### A. Move-in Policies

When an apartment is offered and accepted, the move in date must occur within 45 calendar days.

#### **B.** Apartment Transfer Policies

Transfer requests are placed on an In-House Wait List, by order of the date they are received. In-house transfers may have priority regarding apartment availability.

Residents may transfer between apartments for the following reasons:

- If a resident has a verified medical necessary reason, accompanied by a note from a healthcare provider.
- If a resident has an approved Reasonable Accommodation (Verification of Disability required). The owner may be responsible for the moving expenses of the household member's personal belongings, unless doing so would be an undue financial and administrative burden.
- When attempting to rent studio apartments or difficult to rent apartments, due to size or location (next
  to elevator as an example), prospective residents/applicants may have the option of transferring to
  a more desirable apartment to aid in reducing vacancy loss. A written request for transfer would
  be completed during the move-in process.
- Residents may transfer due to a change in household composition (RLA).
- There may be times when someone moves into a Mobility Accessible Unit (MAU) when they are not in need of the features of that apartment. In this case, if they request a transfer out of the apartment, medical documentation would not be necessary.

• A current resident who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer. Refer to Emergency Transfer for more information.

A current resident has 48 hours to decide whether or not to accept an apartment. If accepted, the resident must move within two days of the apartment ready date.

#### C. Fair Housing

The Fair Housing Act Amendment of 1988 prohibits discrimination on the basis of race, color, religion, gender, national origin, disability or familial status. We do not discriminate on the basis of disability status in the admission or access to, or treatment or employment in, its federally assisted programs and activities. Sexual Harassment is a form of discrimination according to the Fair Housing Act. If you feel you have been discriminated against because of race, color, religion, national origin, familial status, gender or disability, or any other protected class per federal, state, or local regulations, please contact the Housing Director or Executive Director of Community Housing at 1-800-714-9177 or TDD 1-800-735-2900 or dial 711.

### D. Policies to comply with Section 504 of the Rehabilitation Act of 1973 & Fair Housing Act Amendments of 1988.

Section 504 prohibits discrimination based upon disability in all programs or activities operated by recipients of federal financial assistance. A Reasonable Accommodation as defined by the Fair Housing Act is any accommodation by management in rules, policies (including acceptance of assistance animals as an exception to a "no pets" rule), and practices of services to give a person with a disability an equal opportunity to use and enjoy a dwelling unit or common space. Inform management if a Reasonable Accommodation is needed.

Reasonable Accommodations should be submitted in writing. If unable to provide the request in writing, notify management. Reasonable structural modifications to an apartment and/or common areas may be approved and funded by the project, unless these modifications would change the fundamental nature of the project or result in an undue financial or administrative burden.

If you feel that you have been discriminated against because of disability, call the Executive Director of Community Housing and 504 Coordinator, at 1-800-714-9177 or TDD 1-800-735-2900 or dial 711.

#### E. Security Deposit Requirements

HUD requires collection of a security deposit at the time of the initial lease execution. The amount of the required deposit is equal to the Total Tenant Payment, on the HUD 50059 form, or \$50, whichever is greater.

#### F. Financial Information

Applicants must provide financial information as required by HUD (a list of financial information requirements will be provided) during an initial certification interview prior to being offered an apartment.

#### G. Enterprise Income Verification

The Enterprise Income Verification (EIV) System is used to assist the U.S. Department of Housing and Urban Development, Contract Administrators, owners, and their agents in streamlining the income verification process and to help in minimizing the need for 3<sup>rd</sup> party verification. EIV allows the user to identify applicants currently receiving HUD assistance, income not previously reported, new employment, historical patterns of earnings and received income, multi-subsidy for household members included in TRACS databases, and deceased household member(s). A complete policy is on file, including safeguarding data. An EIV Brochure is provided with this Tenant Selection Plan.

#### H. Live-In Aides

A Live-In Aide is defined in the HUD Handbook 4350.3, as:

A person who lives with an elderly, disabled or handicapped individual(s) and is essential to that individual's care and well-being, not obligated for the individual's support and would not be living in the apartment except to provide the support services. While a relative may be considered to be a Live-In Aide they must meet the above requirements. The Live-In Aide qualifies for occupancy only as long as the individual needing supportive services does and may not qualify for continued occupancy as a remaining household member. Live-In Aides are subject to SSN requirements. See Section II.C above regarding Social Security Requirements.

Live-in Aides must meet the same eligibility guidelines as residents (excluding citizenship and income eligibility). A complete criminal and eviction screening is required.

In Section 202/PRAC properties, adult children (son, daughter, step-children) are eligible to move in after initial occupancy only if they are essential for the care or well-being of the resident(s). In accordance with eligibility requirements of a Live-In Aide noted in the 4350.3, income of a Live-In Aide is excluded from annual income. By signing the Live-In Aide Attachment, adult children are acknowledging that they are relinquishing any future rights to the apartment as a remaining member of the resident's household, as they qualify for occupancy only as long as the individual needing the supportive services is in occupancy.

In Section 202/8 properties (Donald Lewis and Ross Knotts), adult children (son, daughter, step-children) are eligible to move in after initial occupancy only if they are essential for the care or well-being of the resident(s). They are considered a part of the household and their income and deductions must be counted. By signing the Live-In Aide Attachment, adult children are acknowledging that they are relinquishing any future rights to the apartment as a remaining member of the resident's household, as they qualify for occupancy only as long as the individual needing the supportive services is in occupancy. An Existing Tenant Search for the Live-In Aide will be done in these situations for 202/8 properties and a Consent for the Release of Information will need to be signed.

Live-in Aides are required to have positive personal and/or landlord references and will be reviewed on the Dru Sjodin National Sex Offender Website.

#### I. Existing Tenant Search

An Existing Tenant Search is obtained through the Enterprise Income Verification System off of the HUD Multifamily Website. This report shows whether an applicant is currently living at multiple HUD sites (multi-family or Public Housing) for sites to coordinate move-outs and move-in dates. This report will be run at the same time as tenant background screening.

#### J. Violence Against Women Act

The VAWA protections apply to families applying for or receiving rental assistance under HUD's public housing and tenant-based and project-based Section 8 programs. VAWA protections are not only available to women, but are available equally to all individuals. The law protects victims of domestic violence, dating violence, stalking, and sexual assault as well as their immediate family members generally, from being evicted or being denied housing assistance if an incident of violence is reported and confirmed. Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

The VAWA also provides that an incident of actual or threatened domestic violence, dating violence, stalking, or sexual assault does not qualify as a serious or repeated violation of the lease nor does it constitute good cause for terminating the assistance, tenancy, or occupancy rights of the victim. Furthermore, criminal activity directly relating to domestic violence, dating violence, stalking, or sexual assault is not grounds for terminating the victim's tenancy. Owners/Agents may bifurcate a lease in order to evict, remove, or terminate the assistance of the offender while allowing the victim, who is a resident or lawful occupant, to remain in the apartment.

Each application packet contains a Notice of Occupancy Rights Under the Violence Against Women Act, explaining your rights under VAWA, along with a HUD-approved certification form that can be completed to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.

#### VAWA Protections

- 1. The Landlord may not consider incidents of domestic violence, dating violence, stalking, or sexual assault as serious or repeated violations of the lease or other "good cause" for termination of assistance, tenancy or occupancy rights of the victim of abuse.
- 2. The Landlord may not consider criminal activity directly relating to abuse, engaged in by a member of a resident's household or any guest or other person under the resident's control, cause for termination of assistance, tenancy, or occupancy rights if the resident or an immediate member of the resident's family is the victim or threatened victim of that abuse.
- 3. The Landlord may request in writing that the victim, or a family member on the victim's behalf, certify that the individual is a victim of abuse and that the Certification of Domestic Violence, Dating Violence Stalking, or Sexual Assault Form, or other documentation as noted on the certification form, be completed and submitted within 14 business days, or an agreed upon extension date, to receive protection under the VAWA. Failure to provide the certification or other supporting documentation within the specified timeframe may result in eviction.

# K. Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

In accordance with the Violence Against Women Act (VAWA), this community allows current residents who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the resident's current apartment to another apartment. VAWA protections are not only available to women, but are available equally to all individuals. The Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking is available in the office, and the plan identifies residents who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to residents on safety and security. Refer to other sections in House Rules on Apartment Transfers and VAWA (Violence Against Women Act). Pacific Retirement Services serves as the management agent for other affordable housing retirement communities, however each community stands alone. A resident in need of an Emergency Transfer may be able to transfer within the community they reside, but it is not our practice to allow transfers to other Community Housing properties. It is the policy that emergency transfers take precedence over other internal transfers (in-house transfers, approved Reasonable Accommodation requests), with the exception of Mobility Acceptable Units.

Any moving expenses due to an Emergency Transfer are the responsibility of the resident.

#### L. Credit Reporting after Occupancy

Management may run tenant background screening reports after move-in due to current or past criminal activity of a resident or household member that may present a threat to the health, safety, or right to peaceful enjoyment by other residents, employees, guests, contractors, subcontractors, or agents of the owner, and we may pursue termination of tenancy.

RENTAL HOUSING INTEGRITY IMPROVEMENT PROJECT

# EIV&YOU

#### **ENTERPRISE INCOME VERIFICATION**

What YOU Should Know if You are Applying for or are Receiving Rental Assistance through the Department of Housing and Urban Development (HUD)

#### What is EIV?

EIV is a web-based computer system containing employment and income information on individuals participating in HUD's rental assistance programs. This information assists HUD in making sure "the right benefits go to the right persons".

#### What income information is in EIV and where does it come from?

The Social Security Administration:

- Social Security (SS) benefits
- Supplemental Security Income (SSI) benefits
- **Dual Entitlement SS benefits**

The Department of Health and Human Services (HSS) National Directory of New Hires (NDNH):

- Wages
- Unemployment compensation
- New Hire (W-4)

#### What is the information in EIV used for?

The EIV system provides the owner and/or manager of the property where you live with your income information and employment history. This information is used to meet HUD's requirement to independently verify your employment and/ or income when you recertify for continued rental assistance. Getting the information from the EIV system is more accurate and less time consuming and costly to the owner or manager than contacting your income source directly for verification.

Property owners and managers are able to use the EIV system to determine if you:

correctly reported your income

They will also be able to determine if you:

- Used a false social security number
- Failed to report or under reported the income of a spouse or other household member
- Receive rental assistance at another property

#### Is my consent required to get information about me from EIV?

Yes. When you sign form HUD-9887, Notice and Consent for the Release of Information, and form HUD-9887-A, Applicant's/Tenant's Consent to the Release of Information, you are giving your consent for HUD and the property owner or manager to obtain information about you to verify your employment and/or income and determine your eligibility for HUD rental assistance. Your failure to sign the consent forms may result in the denial of assistance or termination of assisted housing benefits.

#### Who has access to the EIV information?

Only you and those parties listed on the consent form HUD-9887 that you must sign have access to the information in EIV pertaining to you.

#### What are my responsibilities?

As a tenant in a HUD assisted property, you must certify that information provided on an application

for housing assistance and the form used to certify and recertify your assistance (form HUD-50059) is accurate and honest. This is also described in the Tenants Rights & Responsibilities brochure that your property owner or manager is required to give to you every year.

#### Penalties for providing false information

Providing false information is fraud. Penalties for those who commit fraud could include eviction, repayment of overpaid assistance received, fines up to \$10,000, imprisonment for up to 5 years, prohibition from receiving any future rental assistance and/or state and local government penalties.

### Protect yourself, follow HUD reporting requirements

When completing applications and recertifications, you must include all sources of income you or any member of your household receives. Some sources include:

- · Income from wages
- Welfare payments
- Unemployment benefits
- Social Security (SS) or Supplemental Security Income (SSI) benefits
- Veteran benefits
- Pensions, retirement, etc.
- Income from assets
- Monies received on behalf of a child such as:
  - Child support
  - AFDC payments
  - Social security for children, etc.

If you have any questions on whether money received should be counted as income, ask your property owner or manager.

When changes occur in your household income or family composition, immediately contact your property owner or manager to determine if this will affect your rental assistance.

Your property owner or manager is required to provide

you with a copy of the fact sheet "How Your Rent Is Determined" which includes a listing of what is included or excluded from income.

# What if I disagree with the EIV information?

If you do not agree with the employment and/or income information in EIV, you must tell your property owner or manager. Your property owner or manager will contact the income source directly to obtain verification of the employment and/or income you disagree with. Once the property owner or manager receives the information from the income source, you will be notified in writing of the results.

# What if I did not report income previously and it is now being reported in EIV?

If the EIV report discloses income from a prior period that you did not report, you have two options: 1) you can agree with the EIV report if it is correct, or 2) you can dispute the report if you believe it is incorrect. The property owner or manager will then conduct a written third party verification with the reporting source of income. If the source confirms this income is accurate, you will be required to repay any overpaid rental assistance as far back as five (5) years and you may be subject to penalties if it is determined that you deliberately tried to conceal your income.

# What if the information in EIV is not about me?

EIV has the capability to uncover cases of potential identity theft; someone could be using your social security number. If this is discovered, you must notify the Social Security Administration by calling them toll-free at 1-800-772-1213. Further information on identity theft is available on the Social Security Administration website at: http://www.ssa.gov/pubs/10064.html.

# Who do I contact if my income or rental assistance is not being calculated correctly?

First, contact your property owner or manager for an explanation.

If you need further assistance, you may contact the contract administrator for the property you live in:

and if it is not resolved to your satisfaction, you may contact HUD. For help locating the HUD office nearest you, which can also provide you contact information for the contract administrator, please call the Multifamily Housing Clearinghouse at: 1-800-685-8470.

# Where can I obtain more information on EIV and the income verification process?

Your property owner or manager can provide you with additional information on EIV and the income verification process. They can also refer you to the appropriate contract administrator or your local HUD office for additional information.

If you have access to a computer, you can read more about EIV and the income verification process on HUD's Multifamily EIV homepage at: www.hud.gov/offices/hsg/mfh/rhiip/eiv/eivhome. cfm.
