More About Us

In 1986, Community Volunteer Network was established to provide programs and services to seniors and to recruit volunteers dedicated to helping others. Our primary goals are to reduce loneliness and isolation and increase engagement and community connectivity.

To achieve this mission, CVN collaborates with AmeriCorps Seniors, a nationwide organization aimed at engaging volunteers ages 55 and older to serve their communities. Through AmeriCorps' RSVP Program, thousands of older Americans are paired with volunteer organizations.

CVN is sponsored by Pacific Retirement Services, Inc. (PRS), a not-for-profit Oregon corporation and sole member of CVN.
