

Foster Grandparent Program of Southern Oregon

The Foster Grandparent Program of Southern Oregon was founded in 1975. It is a part of the federal agency AmeriCorps Seniors and is sponsored locally by Community Volunteer Network. Currently, 52 senior volunteers from Jackson, Josephine, and Klamath Counties are enrolled in the program with placements at: early childhood education sites, Head Start Centers, schools, after school facilities, libraries, juvenile correctional program, rehabilitation site and a homeless shelter.

The role of the Foster Grandparent is to offer nonjudgmental ongoing support and assistance to underserved and at-risk youth. Foster Grandparents are a powerful force to improve educational and social/emotional outcomes. They serve as a reliable presence for children in need of positive adult role models. Connecting generations provides both students and Foster Grandparents with a chance to learn, share, and form a bond.

The Foster Grandparent Program's focus is dual:

1. Senior volunteers are provided opportunities to put their wealth of knowledge and skills to work in the service of at-risk, special-needs, and underserved children.
2. Children and youth benefit from individual assistance and learning to bond with a caring adult who brings a lifetime of experience and love to the relationship.

FGP Criminal History Background Check

Senior Corps requires that all volunteer personnel working with and having one-on-one contact with vulnerable populations will submit to a name-based criminal records check, which will include a national criminal records check requiring fingerprints. This applies specifically to the Community Volunteer Network coordinated programs in which volunteers are directly working with or having one-on-one contact with vulnerable populations. If the results of this background check are returned with any findings, the candidate is then provided the opportunity to review and challenge the state agency dispensing the findings for further clarification. Potential volunteers are not allowed to have access to children, persons 60 and older, or individuals with disabilities until their clearance is received or if they are accompanied by a cleared CVN staff member or a cleared volunteer, or a cleared representative from the site/station.

By signing this document, I understand what is set forth in this policy and give permission to Community Volunteer Network to have my name and fingerprints checked for such purpose.

During the last (5) years, have you been outside of Oregon for 60 days in a row or more?

☐ Yes ☐ No If yes, you will be contacted by FGP staff for additional information.

Volunteers and grantee staff do not engage in, and grantee funds are not used for, any of the following activities, to the extent they are prohibited in the applicable program regulations: Electoral activities, Voter registration, Voter transportation to polls, and Efforts to influence legislation.

Volunteers do not engage in any activity which would otherwise be performed by an employed worker or which would supplant the hiring of or result in the displacement of employed workers or impair existing contracts for service.

Neither the grantee nor any volunteer station requests or receives compensation from the beneficiaries of AmeriCorps Seniors volunteers.

Any volunteer station financial support of the AmeriCorps Senior project is not a precondition for that station to obtain volunteer service.

An AmeriCorps Senior volunteer does not receive a fee for service from service recipients, their legal guardian, or members of their family, or friends.

Grant funds are not used to finance labor or anti-labor organizations or related activity.

Project staff or volunteers do not give religious instruction, conduct worship services, or engage in proselytization as part of their duties and, if the sponsor is an organization that conducts inherently religious activities, those activities are offered separately, in time and location, from the programs or services funded under the Corporation grant.

IV. Commonly asked questions

My car was damaged in an accident while I was volunteering: will you cover my deductible for the repairs?

No. The coverage is for liability claims only. There is no coverage for damage to your car.

Medicare says that your insurance should pay first. What should I do?

We can help! Our coverage is specifically excess over Medicare. Call us at 800.222.8920 and we will assist you.

I see that the policy provides excess protection if I cause bodily injury or property damage. What if there is an allegation of sexual misconduct or sexual abuse?

The policy does not provide protection in the event of a criminal proceeding, but it may provide protection in the event of a civil proceeding. You would be entitled to a defense against an allegation of sexual abuse or sexual misconduct under the personal liability contract. However, the policy would not defend or indemnify you if you admitted wrongdoing, or if the allegations against you proved true.

How do I file a claim?

For any type of claim, you first need to see your volunteer coordinator. If you have an accident claim, you will need a "proof of loss" form (available at our Web site www.cimaworld.com.) Both you and the coordinator must complete the form and send it to CIMMA. Keep a copy for your records. Submit your bills to Medicare or any other existing insurance first. Once you have their "explanation of benefits" form(s), have your coordinator send those to CIMMA at the address shown on this brochure, along with a copy of your "proof of loss" form. For a claim against you alleging that you caused bodily injury or property damage while volunteering, contact your volunteer coordinator immediately. Provide as much detail as possible about the incident, and obtain any police reports. Your coordinator will then pass this information to CIMMA, along with a statement that you were volunteering at the time of the incident.

Further Questions?

Visit our Web site, www.cimaworld.com. We have copies of the policies along with additional information concerning the extent and the limitations of these policies.

VOLUNTEERS INSURANCE SERVICE (VIS®) INSURANCE PROGRAM

It doesn't happen often, but when it does, the results can be serious...a volunteer is injured, or injures someone else, while performing his or her volunteer duties. One of the benefits of volunteering for this organization is that you are provided insurance protection in case these things happen to you. There are three kinds of coverage; check with your volunteer coordinator to see which coverages your organization has chosen to provide to you.

SUMMARY OF COVERAGES

I. Excess Accident Medical Coverage

This coverage is in excess of Medicare and any other insurance that you have in place. The excess accident medical coverage will pay up to \$50,000 for medical treatment, hospitalization and licensed nursing care required as the result of a covered accident. The insurance applies while you are traveling directly to and from, and while you are participating in, volunteer-related activities. **Initial medical expenses must be incurred within 60 days of the accident. Expenses are then covered for a one-year period following the accident.**

Other than X-rays, dental care is covered up to \$500 per tooth for accidental injury to teeth and repair of dentures. Maximum benefit is \$900 per accident.

This coverage also provides up to \$50 for repair or replacement of eyeglass frames and up to \$50 for repair or replacement of eyeglass prescription lenses damaged as a result of a covered accident.

The maximum payment under this coverage, including dental and eyeglass expenses, is \$50,000.

This insurance does not duplicate benefits payable under Medicare or any other valid and collectible insurance coverage.

Accidental Death and Dismemberment Coverage In addition to the accident medical coverage, the underwriter will pay benefits for death or loss of limb or sight, occurring within one year as a result of a covered accident. See coverage details at www.cimaworld.com.

Exclusions to Accident Insurance

A complete listing of the exclusions is in the policy details at www.cimaworld.com.

II. Excess Volunteer Liability Insurance

All registered volunteers (collectively) of an organization are provided with excess volunteer liability insurance at a limit of \$1,000,000 per occurrence (subject to an annual aggregate for each named organization.) This policy provides protection if you are liable for bodily injury or property damage arising out of the performance of your duties. The policy includes defense against allegations of sexual misconduct. **This coverage is in excess of and noncontributing with any other valid and collectible insurance you may have.**

Exclusions to Volunteer Liability Insurance A complete listing of the exclusions is in the policy details at www.cimaworld.com.

III. Excess Automobile Liability Insurance

This coverage protects you as a registered volunteer driver for bodily injury or property damage claims arising out of the operation of your own vehicle during your volunteer assignment, not going to or from the assignment. This insurance is in excess of the greater of :

A. An amount equal to the applicable limits of liability of any other collectible insurance you have; or

B. An amount equal to the minimum limit of liability required under the Motor Vehicle Responsibility Laws of the state in which the accident occurs, or \$50,000, whichever is less.

It is important to remember that you must maintain your own auto liability coverage at least equal to the state-required minimums. Also, please remember that this coverage does not apply to any damage to your vehicle.
